NEWS RELEASE

June 2, 2016

Eight Team Tennis Finalists Square Off Beginning Friday

Six top 10 teams along with two others among the state's top squads fill the field for the 42nd Annual IHSAA Girls Team Tennis State Finals this weekend.

Four quarterfinal matches will be played Friday at 3 pm ET – two each at Carmel and Center Grove high schools -- with the winners returning on Saturday at 10 am ET at North Central High School for a pair of semifinals and the championship match at 2 pm ET.

In the quarterfinals at Carmel on Friday, the home-standing and No. 2 Greyhounds (13-1) drew a home match against No. 3 Indianapolis Cathedral (18-1). Cathedral took a 3-2 decision in the teams' May 6 meeting accounting for Carmel's only loss this year and its first in a dual match since the 2012 state semifinals. Carmel had eliminated the Irish in last year's state semifinal match, 4-1, on its way to the title. The Greyhounds will be vying for a fourth consecutive state title this season which would equal the state mark currently shared by Evansville Memorial (1993-96) and Park Tudor (2005-08).

No. 8 Terre Haute South (22-0), the only undefeated team left, will meet Conference Indiana rival Columbus North (19-6), ranked 23rd. Terre Haute South swept to a 5-0 victory in the teams' regular season finale on May 16.

At Center Grove, No. 4 South Bend St. Joseph (17-2) will meet the home-standing Trojans (17-3) in one quarterfinal while No. 6 Jasper (18-3) takes on No. 18 Carroll (Fort Wayne) (20-2) in the other match.

Also taking place this weekend at four sites around the state are the individual regionals for singles and doubles players. Pairings for those matches may be found [here](#). Results from all the matches will be available from IHSAA.org throughout the weekend and on Twitter at @IHSAA1.

State Finals Appearances

From 1975-1981, the state finals consisted of individuals representing various schools competing in a state singles tournament and doubles tournament. Those schools were credited with a state finals appearance if they had a singles player or doubles team competing in the state finals tournament. Beginning in 1982, the state finals tournament changed to a format of four full teams competing head-to-head for the state championship. In 2010, the tournament format changed adding four more teams for an eight-team state finals field.
